Suggestions for Tailgaters

Tailgating is one of the proudest traditions at 49ers games and we continue to support and promote opportunities for you to enjoy your pre-game festivities. Below are a few guidelines to help you plan your tailgate party in accordance with the new parking policy:

- If you and your tailgate teammates traditionally park in the same row or area of the interior parking lot, *please make sure every car in your party arrives prior to two hours before kickoff.*
- Reserving parking spaces for others is not permitted at any time. If any members of your tailgate team arrive within three hours of kickoff, they will be required to park as directed by the parking personnel.
- If you arrive within three hours of kickoff, you are still welcome to tailgate within your assigned parking spot in the area directly in front of or behind your vehicle. Once you park your vehicle, you are also welcome to walk to other areas of the lot to join your friends' tailgate party.
